17:50-17:55	Closing speech (Mr. Mitsuaki Hayashi)
18:05-19:35	Banquet (Sakura room at 11th floor)

# Asian Heat Pump and Thermal Storage Technologies Network

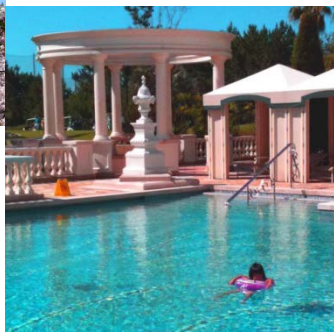

Tokyo, 4<sup>th</sup> October 2011

## Signing Ceremony

### Presentation

- Theme; The R & D & Application of HP in China  
Mr. Zhang Shicong, Engineer, China Academy of Building Research
- Theme; Role of Heat Pumps in Market transformation of HVAC sector in India  
Mr. Pradeep Kumar, Senior Fellow, The Energy and Resources Institute
- Theme; Heat pump technologies for households, buildings and industry  
Mr. Yasuhiro Sakamoto, Deputy director, Heat Pump & Thermal Technology Center of Japan
- Theme; Market and Certification for Heat pump in Korea  
Dr. Jun Y. Choi, Chief researcher, Korea Testing Laboratory
- Theme; Heat Pump Technology – An option to contribute effectively to the sustainable development in Vietnam  
Dr. Hoang-Luong PHAM, Vice president, Hanoi University of Technology

### Discussion

# Signing Ceremony for Asian Heat Pump and Thermal Storage Technologies Network

Tokyo, 4<sup>th</sup> October 2011
